## SMOTHERED SLEEPING

Terrible Calamity That Happened  
to a Mexican Family.

## THREE CHILDREN DIE

House Collapsed and Little Ones in  
Bed Lost Their Lives and the  
Mother May Succumb to  
Her Injuries.

San Luis Potosi, Sept. 10.—Sleeping in their beds three little children named Meliton were sent to instant death by the collapse of the walls of the Meliton home, and their mother was so seriously injured that she may not recover. During a severe electrical storm, and at about the same time, two laborers were stuck by lightning and killed.

This city was for days swept by rainstorm after rainstorm, and the walls of many of the old adobe houses have been seriously weakened. The home of the Melitons was not supposed to be so old and, in spite of a warning that had been given the mother, she continued to occupy it. The mother and her children retired as usual, and were soundly asleep shortly before midnight when the disaster occurred. All four of the family were buried in the ruins of the walls. The noise of the collapse roused the people in the vicinity, who rapidly collected about the place, and the work of rescue was begun. Every one of the three children was taken out dead, and the mother is badly injured, having a broken leg, a twisted back and, it is feared, internal injuries.

## WILL VOTE IT DOWN.

So Says Williams in Speaking of Government Ownership of Railways.

Richmond, Va., Sept. 10.—The Times-Dispatch telegraphed John Sharp Williams, minority leader in congress, at Yazoo City, Miss., for an expression of his views on Bryan's plans for government ownership of railroads, receiving the following reply:

"I am opposed to government ownership of railroads, irrevocably now and forever, in the ordinary and in practice—a question concerning which Mr. Bryan and I agree to disagree. But I see no good to be attained by my rushing into print on the subject. We will simply vote it down if offered as a plank of the Democratic platform. Meanwhile, let us not magnify Democratic faults. There are so many things we are agreed on. Let us magnify them; push them to the front if we can. Bryan is not infallible, and does not pretend to be. He is right about so many things, eloquently and greatly right, but absolute and wrong altogether about this one thing, and especially from a standpoint of racial peace and quiet in the south. Let us strongly regulate railroad rates, but not operate railroads."

## CUTS HIS THROAT.

Prominent Chicago Man Terminates Career With a Razor.

Chicago, Sept. 10.—Clarence K. Wooster, vice president of the People's Gas, Light and Coke company, and prominent in club and social circles, committed suicide Sunday at his home in this city by cutting his throat with a razor. Mr. Wooster is supposed to have been insane. About three weeks ago he suffered from heat prostration, and had for several days past been under the care of physicians. Sunday morning he entered the bathroom, and a moment later his valet, who had been instructed to keep watch over him, heard a fall. Opening the bathroom door, the valet found Mr. Wooster lying on the floor with blood streaming from a gash in his throat, and the razor lying at his side. Mr. Wooster was forty-eight years old, and unmarried.

## PARTY FIRED INTO.

One Negro Was Killed, Several Wounded and White Man Arrested.

Shreveport, Sept. 10.—As a party of negroes were returning home from church six miles from Minden, says a special to the Times from that place, some one fired six shots into the crowd at close range. One negro was killed and several others wounded. Rex Ramsey, a white man, is under arrest.

Lee Smith, an aged negro, was called to the door of his cabin, seven miles west of Shreveport, and shot and killed. The murderer, whose identity is unknown, escaped.

## NUDE MAN AT GAME.

Individual Creates Decided Sensation During Polo Contest.

New York, Sept. 10.—While a polo game was in progress at Van Cortland park a stranger with no clothing on, tall and gaunt, with a scraggly beard and waving his thin arms, made his appearance. Women screamed, and great excitement prevailed. Rival teams suspended play, a horse blanket was secured, the individual wrapped therein and taken to Bellevue hospital.

They all imitate but can't reproduce the "Famous Queen Quality" shoes. Three years ago not a pair was sold in Bryan; today more of them are worn by Bryan ladies than any other make. On Oct. 17, Agricultural and Mechanical College vs. Texas Christian University, at College Station.

On Oct. 27, A. and M. vs. Texas Christian University, at Waco, Texas.

On Nov. 12, A. and M. vs. Haskell Indians at College Station.

On Nov. 19, A. and M. vs. University of Louisiana, at Baton Rouge, La.

On Nov. 29, A. and M. vs. University of Texas, at Austin, Texas.

The A. and M. team is to make a Southern trip this season. Heretofore the team arranged its schedules to play only within the state, but this year its efficient manager, Prof. C. S. Potts, was fortunate enough to secure games outside the state.

The management has again secured the able service of Coach W. E. Bachmann of Lafayette University for the present season.

Capt. Pucket announces that the season practice games will begin on Sept. 18, and he desires that all men intending to try for the team should report for practice on that date.

## AT WAGNER & BRANDON'S.

Much pleasure was experienced by ladies of Bryan and vicinity yesterday in visiting Wagner & Brandon's millinery parlors, attracted thereto by the first display of tailored hats, tastefully arranged by Miss Elder and her assistants. Among the popular shapes are sailors, long sweep effects, small hats in toques and tambourines. Garnet shades and Parisian effects are best this year.

## SOMETHING ENORMOUS.

We have just passed our third year mark in business and our success in our shoe department demands that we carry the largest stock of men's, women's and children's shoes ever carried in Bryan. Each pair of shoes that go out of our house is accompanied with a guarantee of wear, style and fit. Wilson & Edge. d237

## MRS. DEMARET DIED FRIDAY.

At 5:30 o'clock Friday afternoon, one of the oldest, most highly respected and dearly beloved ladies of Navasota, crossed over the river to rest in the shade of eternal life—Mrs. E. DeMaret, age 78 years, 5 months and 3 days. The remains were laid to rest in the city cemetery at 10:00 o'clock Saturday morning, being tenderly consigned to mother earth in the presence of a large concourse of sorrowful friends and deeply bereaved relatives.

Deceased was a daughter of Daniel McCaskell. She was married to Capt. E. A. DeMaret and came to Grimes county in the early 50's, settling a few miles east of Navasota. In 1868 the family removed to this city. Here it was her gallant husband died, and among these people she has ever since resided, respected as a noble christian woman and mother. She was a member of the Episcopal church.

The children Mrs. DeMaret leaves are Allen DeMaret of Mineral Wells, D. C. DeMaret, Mrs. J. T. Bowen, Mrs. W. M. Bowen and Edgar DeMaret of this city.—Navasota Examiner.

## AT WILSON & EDGE'S.

Wilson & Edge's first showing of street hats attracted large numbers of ladies to their millinery parlors yesterday and Miss Braatz and her assistants had a busy day. Among the popular colors are French blue, oxblood, smoked grey, myrtle green and shades of brown. Conspicuous hats are the high crowned, broad brimmed sailors known as the Vesta Tilly; also the nobby drooping brim effect in soft felts called the Elsie Janis.

**NO PERSON IS SPARED**  
Police and Troops Are Attacked by  
Civilians and Infantry, In Re-  
venge, Shoot Many.

St. Petersburg, Sept. 10.—Predic-  
tions made in these dispatches Aug.  
23 that the Jewish massacre at Siedlce,  
Russian Poland, unhappily have been  
justified by fighting, which broke out  
Saturday night and developed Sunday  
into a carnival of indiscriminate  
slaughter and pillage, in which the  
soldiers and mob took part. The un-  
fortunate Jews were shot and bayon-  
netted in the streets of the town.  
Houses and shops were broken into  
and sacked and valuables carried off  
and offered for sale by soldiers to pas-  
sengers on passing trains. In addition  
to the Jews, a number of Christians  
and even some officers met death in  
the fighting. A conservative estimate  
places the number of victims at 140.  
Jewish fugitives, who thronged the  
railroad station at Siedlce, are in a  
state of panic. Reports received here  
from Warsaw and other towns in the  
vicinity of Siedlce place the number of  
victims at several hundred.

Early reports of the Siedlce mas-  
sacre put the responsibility at the  
door of the Terrorists, but fugitives  
declare the soldiers would never have  
been allowed to get so completely  
out of hand without the connivance, if  
not actual direction, of their officers.  
The first reports received of Bialystok  
massacre last June said the Terror-  
ists were to blame there also.

Passengers who arrived at Warsaw  
gave the following account of the  
slaughter: After the murder of a po-  
liceman by Terrorists on Saturday  
night and firing of a volley by troops  
into the assembled crowd, which re-  
sulted in the killing of two citizens  
and wounding of many more, the Ter-  
rorists held a meeting and decided to  
exact vengeance by inaugurating a  
general campaign against the police  
and troops similar to recent activity  
along the same lines at Warsaw.

In the course of Sunday morning twelve  
patrolmen and soldiers were killed.  
As a result of this the Libau regiment,  
in a state of infuriated anger, left the  
barracks in the afternoon and  
marched into the Jewish quarter,  
shooting right and left as it went.  
The troops were joined by crowds of  
hoodlums, who co-operated in plunder-  
ing and wantonly destroying every-  
thing they were unable and not des-  
tined of carrying away. A sale of the  
booty by the soldiers went on under  
the very eyes of their officers. At a  
late hour in the afternoon the Kaluga  
regiment arrived on a special train  
from Biala and measures were insti-  
tuted to put a stop to the trouble. In  
spite of this, however, shooting con-  
tinued up to a late hour Sunday night.

A correspondent of the Associated  
Press, who was not able to get into  
Siedlce Sunday, started for there a  
second time Monday morning.  
Siedlce is a town of 30,000 people,  
half of whom are Jews.

Artillery was used at Siedlce Mon-  
day morning. Buildings on three  
streets were destroyed.  
According to reports received at  
Warsaw twenty-five Jews were killed  
and 3,000 wounded during the pogrom.

Six buildings in the big bazar city  
in flames added another terror to the  
killing and plundering. Frequent  
shots and occasional volley firing were  
still heard in many different parts of  
the town, but because of the general  
panic it was difficult to learn accu-  
rately just what was transpiring.

So far as possible to learn there  
have been about sixty persons killed  
and 200 wounded.

Hundreds of Jews assembled Mon-  
day at the railroad station awaiting a  
means of getting out of town, but  
Siedlce is surrounded by troops, who  
do not permit exit or entrance. Field  
guns occupy points of vantage on the  
principal streets.

There seems no doubt the Terror-  
ists are responsible for provoking the  
massacre by fusillades from roofs and  
windows on Saturday against soldiers  
and policemen, who were patrolling  
the streets. Troops surrounded houses  
from which this firing came and  
poured in volleys through windows and  
doors. This was followed by a search  
of the premises, which soon devel-  
oped into wholesale plundering and  
subsequently into massacre and  
slaughter. Trouble began on Plenkna  
street and spread rapidly to the large  
portion of the town. Almost all Jew-  
ish shops were looted and owners who  
defended their property killed or  
wounded. Any person seen leaving  
a house or looking out of a window  
was shot without mercy.

A telegram received here from  
Siedlce Monday morning says rioting  
and shooting there continued. Revolu-  
tionists are firing at the soldiery from  
windows and troops are replying with  
volleys. The Libau infantry regiment  
took the principal part in the mas-  
sacre. Some passengers on a through  
train were hit by stray shots on Sun-  
day. Loot offered for sale by sol-  
diers consists principally of jewelry  
and clothing.

ness man of this city, dropped dead

**PETITION FILED.**  
Hearing of Reorganized Republicans  
Set For Sept. 20.  
Austin, Sept. 10.—In the supreme  
court Monday the petition of the "Re-  
organized Republican party" against  
Secretary of State Shannon for a writ  
of mandamus to compel him to certi-  
fy to county clerks over the state the  
names of candidates for state offices  
so that said names can be placed on  
the official ballot at the coming state  
election in November was filed. Hear-  
ing was set for Sept. 20.

The petition was first presented to  
Associate Justice T. J. Brown at Paris  
last Friday and he ordered it filed with  
the clerk of the supreme court. The  
petition reached here Monday morn-  
ing and the order of Judge Brown was sup-  
plemented by Associate Justice F. A.  
Williams, who is here.  
In the petition for a mandamus,  
which is styled A. W. Acheson of Gray-  
son county and others against O. K.  
Shannon, secretary of state, it is al-  
leged by the petitioners that they con-  
stitute the state executive committee  
of the "Reorganized Republican party"  
and that A. W. Acheson is chairman  
thereof and the other thirty-one plain-  
tiffs are members of the committee,  
each representing the senatorial dis-  
trict in which he resides. Continuing,  
the petitioners allege that the said  
"Reorganized Republican party" is a  
new, distinct and separate political  
party, organized in this state since the  
last state election, and has a mem-  
bership of legally qualified electors in this  
state numbering fully 50,000, united  
as a political body with distinct aims  
and purposes in opposition to and in-  
dependent of all other political par-  
ties in this state.

**NOT NEEDED.**  
Attorney General Says He Will Prose-  
cute Without Affidavits.

Austin, Sept. 10.—The state print-  
ing board held a meeting Monday  
morning and at the request of the  
State Printing company that anti-trust  
affidavits be made by all bidders it will  
not be made a matter of record. At-  
torney General Davidson said it is not  
needed, as his department would prose-  
cute trusts without the aid of affi-  
davits.

Assistant Attorney General Pollard  
has returned from a secret mission to  
Laredo, where he has been during the  
past week. He and Attorney General  
Davidson refused to discuss the mis-  
sion. Davidson said he was not ready  
to give out information on the subject.

Additional estimates for needs of  
different branches of the government  
for two years were received by the  
comptroller as follows: Tax commis-  
sioner, bookkeeper at \$1,350, and stenog-  
rapher \$900 each year; state deaf,  
dumb and blind asylum (colored), \$23,  
210 each year; state orphans' home,  
\$58,140 each year and \$500 to erect  
pesthouse; Sam Houston normal, \$25,  
000 each year and \$17,500 for scholar-  
ships.

**FOR NEW MEMBERS.**  
Fort Worth Churches Are Planning a  
Vigorous Campaign.

Fort Worth, Sept. 10.—Churches of  
several denominations in this city are  
planning on a vigorous crusade to add  
new members to their folds. Believ-  
ing the city is backsliding and crime-  
ridden, in various pulpits it was an-  
nounced Sunday a church census  
would be taken Sept. 25 and the city  
divided up among committees and  
every man and woman not a member  
of a church will be visited and invited  
to join. Ministers declare there are  
40,000 people in Fort Worth who do  
not attend Sunday services, and this  
they claim is the cause of crime being  
so prevalent, and they propose by this  
campaign to stamp out or abate the  
evils. Sermons will be preached de-  
nouncing the lid being off and litera-  
ture will be scattered throughout the  
city to aid in the crusade.
